

Job Title: 3D Capture/Scan Technician

Company:

VirtualEyes Media

About Virtual Eyes Media:

We are an innovative company providing an end-to-end service that is changing the landscape of the [virtual] marketing world! Utilizing Matterport 3D, aerial and collaboration with different technologies and media talent, we have the ability to create a unique and fully immersive model tailored to ALL aspects of your business! From creating interactive/instructional/educational, in depth return-to-work, extensive and accurate record-keeping, marketing, etc. models – we have collaborated with several industries to create a platform utilizing each model to fit all needs.

Job Description:

Responsible for performing 3D scans per customer requirements.

I know you may be asking, what is Matterport? – “Matterport is a three-dimensional camera system you can use to capture imagery, collect measurements, and process data to create, edit, and share a 3D rendering of your location. Viewers can then explore the building structure from a variety of viewpoints, learn more about the aspects of the location without having to physically travel there.”

Key Responsibilities:

The ideal candidate must be reliable and self-sufficient, have good customer service skills and have a great eye for detail. The candidate will have frequent interaction with customers and thus good people skills are a must. We provide all equipment. Interior design/architectural background a plus, but we are willing to train the right candidate regardless of previous work experience. If selected, the Scan Technician will be responsible for operating and maintaining all 3D scanning equipment. Organizational skills are required in order to meet all deliverables of potentially multiple customer engagements. Once the scans are completed, the candidate will be expected to perform all editing duties in order to complete the processing of the scans. Direction will need to be given to ensure an optimal product. The ability to manage the appointment and be observant while creating the tour is a must.

Job Requirements & Qualifications:

- Experience with a Matterport Pro2 Camera a PLUS
- Valid Driver's License with clean driving record and ability to pass a criminal background check (own and operate personal vehicle)

- Ability to be ON TIME with great, 'can do' attitude
- Required High School Diploma or equivalency
- Previous experience with face to face customer service.
- Maintain a high level of security and safety with company equipment
- Ability and willingness to travel to client locations.
- Excellent communication skills.
- Ability to carry approximately 30 lbs of equipment to client locations.
- Very detail oriented..
- General knowledge of how to operate an Apple iPad.
- Positive attitude even in the face of adversity.
- Must possess an analytical problem solving mindset.
- Willingness to learn and adapt to new technology (Matterport 3D scanning cameras)
- Must have adequate vision to perform job responsibilities.
- Must be able to handle the physical demands of the job responsibilities.
- Ability to manage a project timeline.

Location:

This position is remote and will require the candidate to be able and willing to travel to client sites.

Disclaimer:

This job description may not be inclusive of all assigned duties, responsibilities, or aspects of the job described, and may be amended at any time at the sole discretion of the Employer. The Employer retains the right to change or assign other duties to this position at any time.

Covid-19:

Our employees, contracted professionals, business advocates, customer support and corporate staff are available to lend a hand and support VEM clientele's most pressing needs. Of course, the health and safety of our broad staff and the communities in which they live remains a top priority. We are following all guidelines put forth by the CDC but are monitoring all communication channels and are readily accessible to you around the clock. As always, we are committed to providing our clients, peers, employees (in-house and contract), etc. with outstanding support and service, in a transparent manner you can trust.

We're also asking our teams to work with clients through digital channels as much as possible. We're postponing some of our in-person meetings and events while turning others into virtual meetings, hangouts and events.

While [all] our businesses are in uncharted territory, VirutalEyes Media was built to handle moments like this, and our relentless commitment to your success is stronger than ever. Our company was founded on core values -- trust, exceeding customer service expectations, client success, innovation, and equality -- and our values are steadfast and continue to guide everything we do.
